

Daily Report

Yuxin Ma

06.19.2013

Intro

Today I spent most of the time on slides. Attic Visualization Framework has been temporarily stopped.

Readings

I found two latest papers [1] and [2] from Stanford Vis Group and planned to read them tomorrow.

Miscellaneous Work

None.

Plan for Tomorrow

- Finish reading the papers above;
- Prepare for the report on tomorrow's Annual Academic Conference.
